Templates

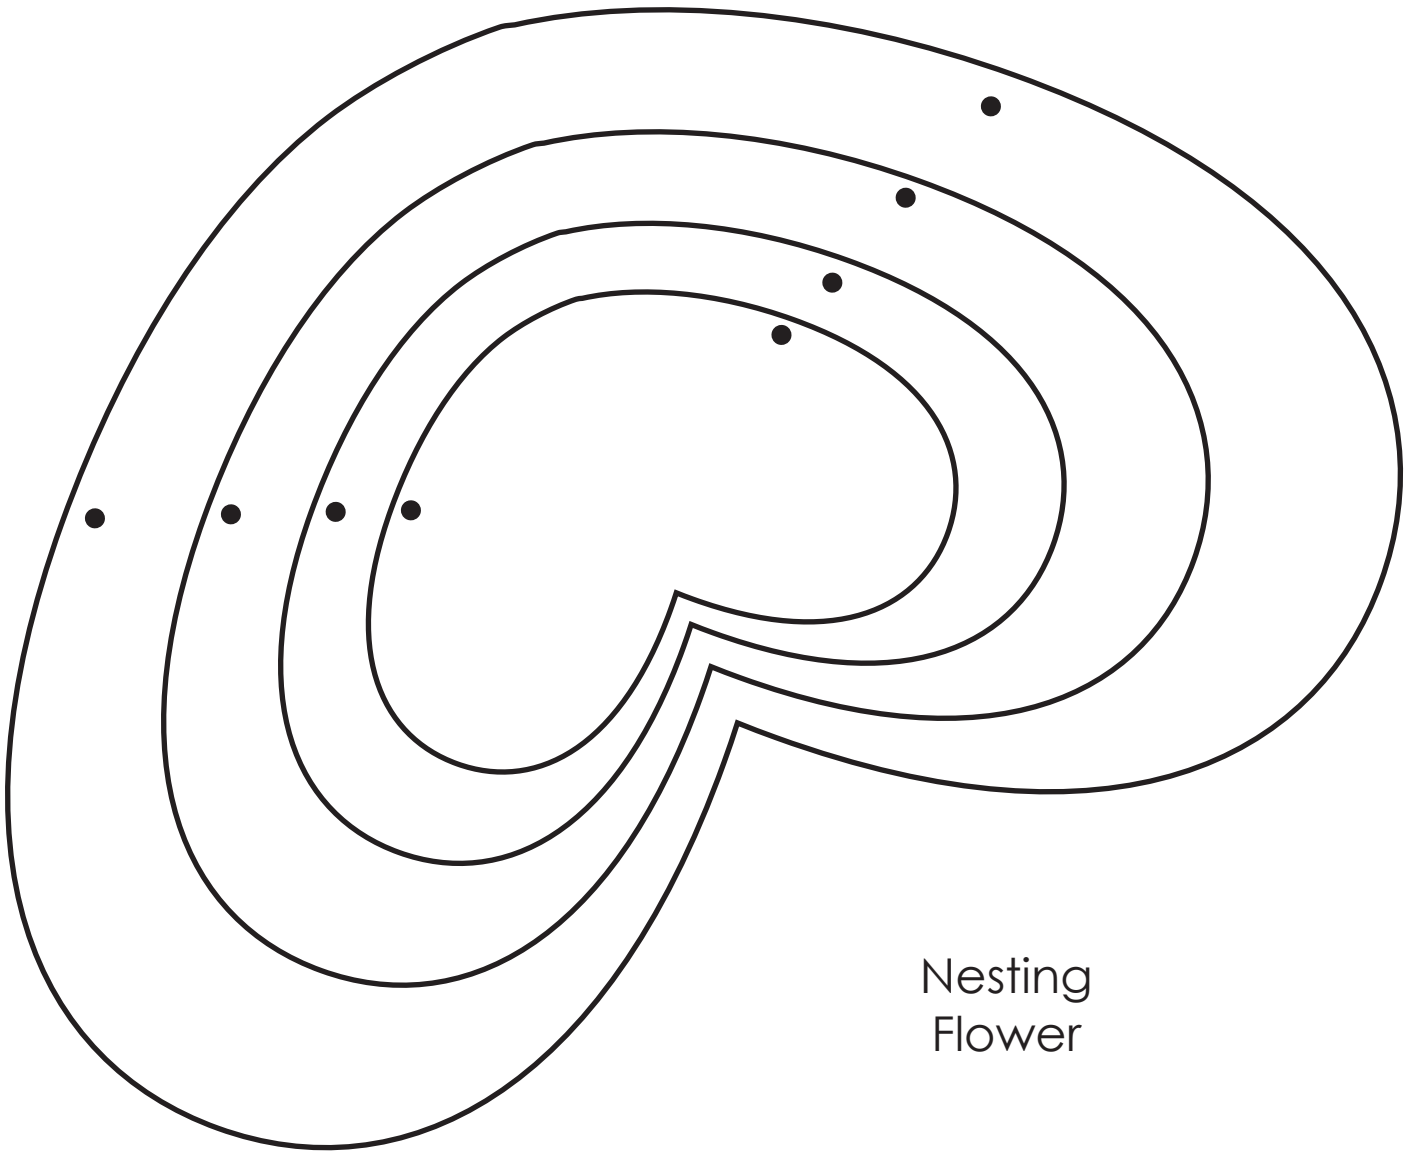

Tips for Printing:

- The templates are full scale and should be printed at actual size.
- Most templates can be printed on Letter paper; however the George and the Dragon Flip Doll, the Circus Flip Doll, and the Plucky Ukulele should be printed on Legal paper (8.5 x14").
- Most templates fit on one sheet of paper; however the Smiling Crocodile and the Sly Fox will print on several sheets of paper and need to be taped together.

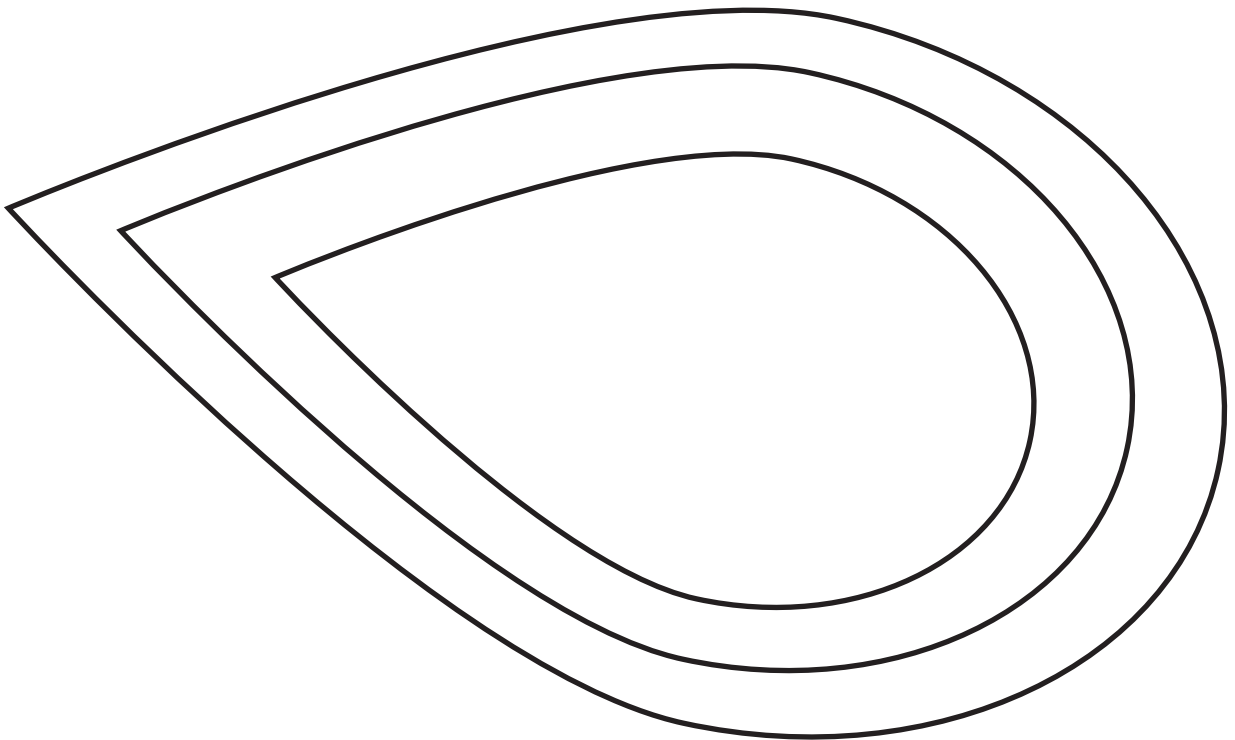

The templates in this book include the seam allowance unless otherwise stated in the patterns. Please refer to the book for the names of each pattern piece and how many to cut.
